All classes are open to ages 14 and up.

Student must provide: Pottery tools, towels, apron or smock (optional). All clay must be purchased from Neil Estrick Gallery. A starter kit with tools and 25 lbs. of clay is \$50.

The studio uses electric kilns and food safe glazes. Tuition covers instruction during class time, use of the studio during regular business hours. The cost of glazes and firings for work created in the studio are included in the price of clay. Regular business hours may change on a daily basis, depending on my kiln repair schedule. Every effort will be made to have the studio open for at least a few hours every day. Studio will be closed during Scout Troop workshops, birthday parties and other private parties. 24 hour access is available for advanced students. Clay price is \$25 per 25 pounds of stoneware, \$30 for porcelain, and includes all glaze and firing costs. Tuition is due at time of registration to guarantee a space in the class. Full refund of tuition will be given up to 1 week prior to the first day of class. 50% refund will be given during the first week of classes, only due to illness or family emergency. No refund will be given after the first week of classes.
